As a man-made means of expressing religious, cultural, or historical values, cultural heritage is thus inherently a human rights issue. What to Know The ICC, UN, and UNESCO all recognize the preservation of cultural property as a means to protect the human rights of those peoples associated with its creation.

Cultural rights and the protection of cultural heritage. On 6 October 2016, the Human Rights Council adopted unanimously a resolution calling upon all States to respect, promote and protect the right of everyone to take part in cultural life, including the ability to access and enjoy cultural heritage, and to take relevant actions to achieve this. The resolution also decides that the Human Rights Council will remain seized of this matter (see resolution A/HRC/RES/33/20).

~~Cultural rights and the protection of cultural heritage~~

It concludes by revealing how international and human rights law itself has become a factor influencing the evolution of cultural heritage.
