REA's comprehensive course review, frequently cited as the best on the bookshelf, and our six practice exams are based on the format of the latest AP U.S. History Exam. Each of our practice exams includes every type of question that you can expect to encounter when you take the AP exam. Following each REA practice exam is an answer key complete with detailed explanations. Our explanations are designed to contextualize he material so that it will stick with you and thus boost your command of the subject matter and the ins and outs of the AP itself. Our printed practice exams 4, 5, and 6 are also on CD-ROM are part of our interactive AP U.S. History TESTware. Taking the exams on the computer will afford you additional study features and the benefits of enforced timed conditions, individual diagnostic analysis of what subjects need extra study, and instant scoring. For your convenience, our TESTware has been provided for you in both Windows and Macintosh formats. Many features are included that you will find helpful as you prepare for the AP U.S. History Test. See page ix for our study schedule and guidance on how to gain maximum benefits from this book and software package. (For instructions on how to install and use our software, please refer to the appendix at the back of the book.) By studying our review section, completing all six practice exams, and carefully checking the answer explanations, students can discover their strengths and weaknesses and prepare themselves effectively for the actual AP U.S. History Examination. Teachers of AP U.S. History courses will also find REA's book and software to be an excellent resource in the classroom. In fact, many AP instructors use it as a supplementary text because it so comprehensively supports and addresses specific curriculum objectives for the course and exam. Our interactive TESTware software is an outstanding tool to help boost your students' test-taking confidence. For TESTware site-license information, point your Web browser to www.rea.com and click on "Teachers' Corner." ABOUT THE TEST The Advanced Placement Program is designed to allow high school students to pursue college-level studies while attending high school. The three-hour five-minute AP U.S. History exam is usually given to high school students who have completed a year's study in a college-level U.S. History course. The test results are then used to determine the awarding of course credit and/or advanced course placement in college. According to the College Board, students taking this exam are called upon to demonstrate "systematic factual knowledge" and bring to bear critical, persuasive analysis of the full sweep of U.S. history. This is why we make every effort to establish and build upon context for you, rather than encouraging rote memorization of disconnected facts. The AP U.S. History Exam is divided into two sections: 1) Multiple-Choice: This section is composed of 80 multiple-choice questions designed to gauge your ability to understand and analyze U.S. history from the Colonial period to the present. The majority of the questions, however, are based on 19th- and 20th-century history. This section tests factual knowledge, scope of preparation, and knowledge-based analytical skills. You'll have 55 minutes to complete this section, which accounts for 50 percent of your final grade. 2) Free-Response: This section is composed of three essay questions designed to measure your ability to write coherent, intelligent, well-organized essays on historical topics. The essays require you to demonstrate mastery of historical interpretation and the ability to express views and knowledge in writing. The essays may relate documents to different areas, analyze common themes of different time periods, or compare individual and group experiences which reflect socioeconomic, racial, gender, and ethnic differences. Part A consists of a mandatory 15-minute reading period, followed by 45 minutes during which you must answer a document-based question (DBQ), which changes from year to year. In Part B the student chooses to answer on two of the topics that are given. You will have 70 minutes to write these essays. The free-response section counts for 50 percent of your final grade. These topics are broken down into thirds: - Political Institutions (1/3rd) - Social and Economic Change (1/3rd) - Behavior and Public Policy, Diplomacy and International Relations, Intellectual and Cultural Development (1/3rd) The time periods covered are as follows: - Pre-Colonial through 1789 (1/6th of exam) - 1790-1914 (1/2 of exam) - 1915-present (1/3rd of exam) ABOUT THE REVIEW SECTION This book begins with REA's concise yet thorough 230-page review of U.S. history designed to acquaint you with the exam's scope of coverage. Our review covers these topics and historical time periods: - The Colonial Period (1500-1763) - The American Revolution (1763-1787) - The United States Constitution (1787-1789) - The New National (1789-1824) - Jacksonian Democracy and Westward Expansion (1824-1850) - Sectional Conflict and The Causes of the Civil War (1850-1860) - The Civil War and Reconstruction (1860-1877) - Industrialism, War, and the Progressive Era (1877-1912) - Wilson and World War I (1912-1920) - The Roaring Twenties and Economic Collapse (1920-1929) - The Great Depression and the New Deal (1929-1941) - World War II and the Post-War Era (1941-1960) - The New Frontier, Vietnam, and Social Upheaval (1960-1972) - Watergate, Carter, and the New Conservatism (1972-2001) SCORING THE EXAM The multiple-choice section of the exam is scored by crediting each correct answer with one point and deducting one-fourth of a point for each incorrect answer. You will neither receive a credit nor suffer a deduction for unanswered questions. The free-response essays are graded by instructors and professors from across the country who come together each June for a week of non-stop AP essay grading. Each essay booklet is read and scored by several graders. Each grader provides a score for the individual essays. The DBQ is scored on a scale from 0 to 15, 0 being the lowest and 15 the highest. Each topic-based essay receives a score from 0 to 9. These scores are concealed so that each grader is unaware of the previous graders' assessments. When the essays have been graded completely, the scores are averaged-one score for each essay-so that the free-response section generates three scores. The total weight of the free-response section is 50 percent of the total score. Your work in the multiple-choice section counts for the other 50 percent. Each year, grades fluctuate slightly because the grading scale is adjusted to take into account the performance of the total AP U.S. History test-taker population. When used with the corresponding chart, the scoring method we present here will strongly approximate the score you would receive if you were sitting for the actual AP U.S. History exam. SCORING THE MULTIPLE-CHOICE SECTION For the multiple-choice section, use this formula to calculate your raw score: Number right - (number wrong x 1/4) = raw score (round to the nearest whole number) SCORING THE FREE-RESPONSE SECTION For the free-response section, use this formula to calculate your raw score: DBQ + Essay #1 + Essay #2 + = raw score (round to the nearest whole number) You may want to give your essays three different grades, such as a 13, 10, and an 8, and then calculate your score three ways: as if you did well, average, and poorly. This will give you a safe estimate of how you will do on the actual exam. Try to be objective about grading your own essays. If possible, have a friend, teacher, or parent grade them for you. Make sure your essays follow all of the AP requirements before you assess the score. The statistical formulations used by the AP Program preclude our REA practice-test scoring system from precisely replicating the procedures and determinations of the AP Program. Bear in mind that the cut-off point between each of the five AP grades typically shifts slightly from year to year. This occurs both because one year's exam cannot be expected to be exactly as difficult as another year's and because no two test-taker groups can be expected to be equally strong. THE COMPOSITE SCORE To obtain your composite score, use this method: 1.13 x multiple choice raw score = weighted multiple-choice score (do not round) 2.73 x free response raw score = weighted free response score (do not round) Now, add the two weighted sections together and round to the nearest whole number. The result is your total composite score. See the range within which your score falls on this table to approximate your final grade: AP Grade / Composite Score Range 5 / 114-180 4 / 91-113 3 / 74-90 2 / 49-73 1 / 0-48 These overall scores are interpreted as follows: 5-extremely well qualified; 4-well qualified; 3-qualified; 2-possibly qualified; and 1-no recommendation. Most colleges grant students who earn a 3 or better either college credit or advanced placement. Check with your high school's guidance office about specific requirements. CONTACTING THE AP PROGRAM Prospective examinees should download from the College Entrance Examination Board's Website or request by phone the free bulletin offering a general description of the AP Program, including policies and procedures as well as instructions on how to register for the AP Examination in United States History. Here's how to contact the College Board: Advanced Placement Program Dept. E-22 P.O. Box 6670 Princeton, NJ 08541-6670 Phone: (609) 771-7300 Website: http://www.collegeboard.com/ap

George Washington gehört zu den großen Gestalten der Weltgeschichte. Er führte als General die Revolutionsarmee zum Sieg und errang so die amerikanische Unabhängigkeit. Als erster amerikanischer Präsident steuerte er die junge Nation durch ihre unsicherste und schwierigste Phase. Mehr als jeder andere hat er dem Land seine Werte, Ziele und Ideale eingeschrieben. Pulitzer-Preisträger Joseph J. Ellis schildert in seiner meisterhaften Biographie die außergewöhnliche Persönlichkeit des Mannes, der zum berühmtesten Amerikaner der Geschichte werden sollte. Sein Buch war in den USA monatelang auf der Bestsellerliste und gilt als die maßgebliche Biographie des ersten amerikanischen Präsidenten.

Der litauische Einwanderer Jurgis Rudkus kommt mit seiner Verlobenen um 1900 nach Amerika, ins Land der unbegrenzten Möglichkeiten. Wie viele andere findet auch er Arbeit in den Schlachthöfen Chicagos, doch die Hygiene- und Sicherheitsstandards sind so niedrig, die Anforderungen so hoch und die Bezahlung so erbärmlich, dass die Immigranten kaum eine Chance auf ein vernünftiges Leben haben. Nachdem seine Familie durch mehrere Tragödien zerstört wird und ihre Existenz verliert, ist er gezwungen, auf illegalen Wegen Geld zu verdienen. Nach und nach erkennt er die Notwendigkeit, für Reformen und ein besseres Leben zu kämpfen. Der Dschungel gehört zu den wichtigsten Romanen der Literatur des 20. Jahrhunderts. Ein zeitloses, atemberaubend spannendes Leseerlebnis.

CliffsNotes AP U.S. History Cram Plan gives you a study plan leading up to your AP exam no matter if you have two months, one month, or even one week left to review before the exam!
