If a taboo book manages to fly beneath the radar, it ' s probably because the book is still going unnoticed and not getting sales or reviews. The obvious reason for lack of attention is a lack of paid book promotion. But self-publishers are rarely in the position to fork out hundreds, or even thousands of dollars to get their book seen.

Sweetest Taboo by J. Kenner - Books on Google Play

A taboo is an implicit prohibition on something (usually against an utterance or behavior) based on a cultural sense that it is excessively repulsive or, perhaps, too sacred for ordinary people. Such prohibitions are present in virtually all societies. On a comparative basis, taboos, for example related to food items, seem to make no sense at all, as what may be declared unfit for one group by ...
